

## Jan 3, 2024 | 📅 SD Bass Council Meetings

Attendees:

- Meeting Called to Order
- Treasurer's Report
  - Checking Account = \$2,032.36
  - Fisherman's Relief Fund = \$3032.32
  - Total in Accounts = \$5065.87
  - Last year we took in \$1,993 and spent \$7,218.37
  - Discussion on dues and increasing TOC/Top 6 Fees
- Unfinished Business from last month's meeting (November Meeting)
- New Business
  - Sporting Event insurance policy renewal.
  - We need to quickly identify a place to store/park the Council trailer with our tables, chairs and other equipment before it gets towed from the public street in Lemon Grove.
  - Discuss/Vote to continue holding meetings in person at El Cajon Ford or is there interest in holding the meetings via Zoom or Microsoft Teams.
  - Dates have been chosen for 2024 TOC and Top 6 tournaments (TOC 3/2 & 3/3 at San Vicente - Top 6 will be 9/28 at Otay)
  - Is there interest in having the TOC be just a one day tournament/one-day shootout. Or do the clubs like having a two day tournament? One day - One lake is a lot easier for us to coordinate and organize (don't have to move the trailer).
  - Updating the Council webpage. Chris Mitchell from North County Bass is going to assist us with this task. Asking for sponsors for the webpage. We will post their logo/add in exchange for discounts on tackle and boat service. Discussion.
  - With Keith's resignation from the Council Board we are in need of a Treasurer. Gary Bass has graciously accepted to stay on as the Treasurer for "as long as he can". Please check with your club members to see if anyone is interested in helping us out in that position.

- Pete Graves from North County Bass has volunteered to be our weighmaster at both the TOC and the TOP 6 tournaments.
