  - SDCBC has donated \$100 to the Brian Graves tournament held April 14, 2024, at San Vicente.

- A new home for the SDCBC trailer has not been found. We are at the point of selling it along with the table and chairs. If sold, the additional equipment currently stored in the trailer (EZ-Ups, scales, generator, etc.) will be distributed between clubs to store and bring to our (2) yearly events. Final details will be coming soon.
